NEW PRESENTATION TOOL

For anyone preparing presentations or reports and needs a robust, straightforward design tool (instead overloading the design department with numerous requests) please take a look at this brief video that explains how to use Venngage. We have recently purchased a company package and can create an account for anyone that feels they would require one.

ANNOUNCEMENT: ADAM KAMMAL, ZB'S NEW CFO

Adam Kammal is the latest addition to the ZB team.

He has a fifteen-year history as a leader in corporate financials. He has worked for fortune 500 companies and several highly successful startups. When we asked him why he was interested in working with Visual Flex, he told us that, "ZB is an exciting brand, it's a great combination of IT and design in a completely new space that anticipates the needs of the future consumer. You guys also have an amazing artisan coffee selection, how could I not want to join your team!" Adam was right on both counts, making our market happy means knowing what they'll need tomorrow and making sure we deliver it today
